**Cultural Responsiveness in Counselling: Complexities and Competencies**

Robert Seymour Wright is a Social Worker and Sociologist whose 29 year career has spanned the fields of education, child welfare, forensic mental health, trauma, sexual violence, and cultural competence. A "clinician/academic/administrator," he has always integrated his work delivering direct practice clinical service to clients with teaching and supervising interns, and promoting lasting systemic change through social policy advocacy. He also consults, trains, speaks and comments on a wide range of issues. His extensive pro bono work gave birth to The Peoples' Counselling Clinic, a non-profit mental health clinic. His pioneering work with colleagues in cultural competence and conducting cultural assessments has received national attention.

**The fee for attending the event with Robert Wright is \$10.00. A notice will follow shortly with registration and payment details. This 1 hour event has been pre-approved by CCPA.**
