

## Schedule of Approved Candidacy Supervisors

<b>Policy #</b>  <b>S-03.0</b>	<b>Approved</b> December 2020	<b>Authority</b> Board of Directors	<b>Responsibility</b> <ul style="list-style-type: none"> <li>• Registrar</li> <li>• Registration Committee</li> </ul>
<b>Related Policy &amp; Procedures</b> SC-01.0	<b>Amendments</b> M/Y	<b>Supporting Legislation/Regulation/By-Laws</b>	

The following table contains the names and contact information for RCTs and other mental health professionals\*\* who qualify as Candidacy Supervisors.

The list does not make any claim regarding the willingness or availability of a named individual to supervise a particular candidate. The table is meant only as a resource to RCT-Cs seeking an approved supervisor.

As per Policy SC-03.0 *Change of Supervisor During Candidacy Period*, in the case where a supervisor is suddenly and without prior notice, unable to continue in their duties, the Candidate must immediately contact the Registrar to arrange emergency supervision, before resuming direct client contact.

The Registration Committee will be responsible for overseeing the updating of the list on an annual basis to ensure currency. The list is considered complete only at the time of its last update, and may be revised without notice by the Registrar.

Approval of Candidate-Supervisor pairs is a function only of the Registrar/Registration Committee.

**Note:** Candidacy Supervisors whose names are marked as Inactive have indicated that they are *not currently accepting Candidates* and wish not to be contacted until their status is changed to Active.

**Note:** It is important that your proposed supervisor is not (and has not been) your teacher, practicum supervisor in any setting (e.g., university or external placement), work supervisor or other dual-role that may represent an actual or perceived conflict of interest.

Supervisors marked with \* have expressed their willingness to take-on emergency interim supervision. The need for an emergency supervisor will be determined by the Executive Director/Registrar.

\*\*As of February 1st, 2021, the NSCCT will no longer approve non-RCTs to supervise RCT-Candidates. Registrants of the NSBEP or the NSASW who currently appear on the list remain available to RCT-Cs for consideration where appropriate. All non-RCT supervisors will be granted Affiliate status with the College as an Associate.

**PURPOSE**

To assist RCT-C applicants in finding a qualified candidacy supervisor.

To expedite the process of approving supervisor-candidate pairs.
