

# Schedule of Approved Candidacy Supervisors

**CURRENT AS OF APRIL 2026**

The following table contains the names and contact information for RCTs and other mental health professionals\*\* who qualify as Candidacy Supervisors.

The list does not make any claim regarding the willingness or availability of a named individual to supervise a particular candidate. The table is meant only as a resource to RCT-Cs seeking an approved supervisor.

As per policy *Change of Supervisor During Candidacy Period*, in the case where a supervisor is suddenly and without prior notice, unable to continue their duties, the Candidate must immediately contact the Registrar to arrange emergency supervision, before resuming direct client contact.

The Registration Committee will be responsible for overseeing the updating of the list on an annual basis to ensure currency. The list is considered complete only at the time of its last update, and may be revised without notice by the Registrar.

**Note:** Candidacy Supervisors whose names are marked as Inactive have indicated that they are *not currently accepting Candidates* and wish not to be contacted until their status is changed to Active.

**Note:** It is important that a proposed supervisor is not 1) a family member or relative of the candidate, or 2) an employer, manager or contractor of the candidate during the duration of candidacy.

Supervisors marked with \* have expressed their willingness to take on emergency interim supervision. The need for an emergency supervisor will be determined by the Executive Director/Registrar.

**CURRENT AS OF APRIL 2026**
